 Tonight we drink to youth  
**Am Em**  
 and holding fast the truth

 don't want to lose what i had as a boy

 my heart still has a beat  
**Am Em**  
 but love is now a feat

 as common as a cold day in L.A.

 sometimes when I'm alone I wonder

 is there a spell that I am under  
**Am C D**  
 keeping me from seeing the real thing

**Em Bm**  
 Love hurts  
**D Am**  
 but sometimes it's a good hurt  
**Em Bm A - C**  
 and it feels like I'm alive  
**Em Bm**  
 Love sings  
**D C**  
 when it transcends the bad things  
**Em Bm**  
 out of heartache, try me  
**A C**  
 cause without love I won't survive

[Instrumental]

**Em Bm D**  
Tethered and abused  
**Am Em**  
stand naked and accused  
**Bm D Am**  
should I surface, this one man submarine

I only want the truth

so tonight we drink to youth

I never lose what I had as a boy

sometimes when I'm alone I wonder  
**C**  
is there a spell that I am under  
**Am C D**  
keeping me from seeing the real thing

**Em Bm**  
Love hurts  
**D Am**  
but sometimes it's a good hurt  
**Em Bm A - C**  
and it feels like I'm alive  
**Em Bm**  
Love sings  
**D C**  
when it transcends the bad things  
**Em Bm**  
out of heartache, try me  
**A C**  
cause without love I won't survive
