```

Artist: Queens of the Stone Age
Song: Villains Of Circumstance

[Verse 1]

```

      Am          C
I miss you now, what's come over me
      G          E
We're hostages of geography
      Am          C
The wait is long, and heavy too
      G          E
Despite what you're accustomed to
      Am          C
I know life moves on, that's what scares me so
      G          E
Have no intentions, of letting go
      Am    C G          E
Only us, no one in the world
      Am    C G          E
Only us, no one in the world

```

Am - C - G - E x2

[Pre-Chorus]

```

      Am          C          G          E
I better do something, move earth and sky
      Am          C          G          E
And patiently, sweetly, with all of my mind
      Am          C
I sing only for you
      G          E
To the beat of my footsteps at night

```

[Chorus]

```

      Am          G
So close your eyes
      C          F
And dream me home
      Am    G          C          F
Forever mine, I'll be forever yours
      G    E    Am          C
Always, evermore, and on and on
      G    E    Am          C
Always, evermore, and on and on
      G    E    Am          C
Always, evermore, and on and on
      G    E    F
Always evermore

```

C - G - E

Am - C - G - E x3

[Verse 2]

Am C
 There's no magic bullet, no cure for pain
 G E
 What's done is done, til you do it again
 Am C
 Life in pursuit of a nameless prey
 G E
 I've been so close, I'm so far away
 Am C
 It's so hard to explain, and easy to feel
 G E
 I need you now, nothing is real
 Am C
 Save me from the villains of circumstance
 G E
 Before I lose my place

[Chorus]

Am G
 So close your eyes
 C F
 And dream me home
 Am G C F
 Forever mine, I'll be forever yours

C F
 I'll be forever yours
 C F
 I'll be forever yours
 G E Am C
 Always, evermore, and on and on
 G E Am C
 Always, evermore, and on and on
 G E Am C
 Always, evermore, and on and on
 G E F
 Always evermore

C - F - G - E - Am - G - C - Dm - G(?) - F

End on Am
 END

```
