

**MY FRIENDS** (Red Hot Chili Peppers)

**D** **F** **G**  
 My friends are so depressed  
**C** **D** **F** **G**  
 I feel the question of your loneliness  
**C** **D** **F** **G**  
 Confide 'cause I'll be on your side  
**C** **D** **F** **G**  
 You know I will you know I will

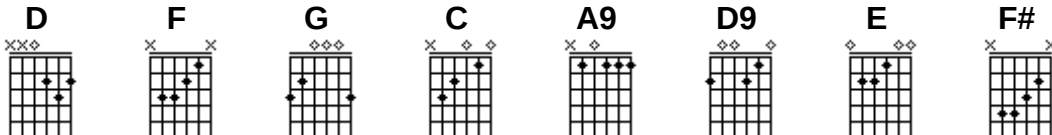

Ex-girlfriend called me up  
 Alone and desperate on the prison phone  
 They want to give her seven years  
 For being sad

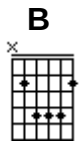

**C** **G** **A9**  
 I love all of you  
**C** **D9** **A9**  
 Hurt by the cold  
**C** **G** **A9**  
 So hard and lonely too  
**C** **D9** **A9**  
 When you don't know yourself

My friends are so distressed  
 And standing on the brink of emptiness  
 No words I know of to express  
 This emptiness

**E** **G** **F#** **F**  
 Imagine me taught by tragedy  
**C** **B** **F**  
 Release in peace

I heard a little girl  
 And what she said  
 Was something beautiful  
 To give your love  
 No matter what she said
