[Verse]

Am C
I want to live where soul meets body
Am C
And let the sun wrap its arms around me
Am C
And bathe my skin in water cool and cleansing
G Am
And feel, feel what its like to be new

C
Cause in my head there's a greyhound station
Am C
Where I send my thoughts to far off destinations

Am **C**
So they may have a chance of finding a place
G
where they're far more suited than here

[Chorus]

Am **C** **G**
I do believe it's true
Am **C** **G**
That there are roads left in both of our shoes
Am **C**
If the silence takes you
G
Then I hope it takes me too
