Arctic Monkeys - No. 1 Party Anthem (Fox Uninvited Guest) - <https://youtu.be/124P78aGPZk?t=1m10s>

[Verse 1]

G **B**
So, you're on the prowl wondering whether

Leather jacket, collar popped like Cantona

G

Never knowing when to stop

G

B

Sunglasses indoors, par for the course

C

Lights in the floors and sweat on the walls

Am D

G

Cages and poles

[Verse 2]

G

B

Call off the search for your soul

C

Or put it on hold again

Am

She's having a sly indoor smoke

ends

G **B**
Sipping a drink and laughing at imaginary jokes

C
As all the signals are sent, her eyes invite you to
Am
approach

D **Cm**
And it seems as though those lumps in your throat

D
That you just swallowed have got you going

[Chorus]

G **B** **Em**
Come on, come on, come on

G7 **C**
Come on, come on, come on

Cm **G**
Number one party anthem

[Verse 3]

G **B**
She's a certified mind blower

C
Knowing full well that I don't

Am **D**
May suggest there's somewhere from which you might
know her

G
Just to get the ball to roll

G **B**
Drunken monologues, confused because

C
It's not like I'm falling in love

Am **D**
I just want you to do me no good

Cm **D**
And you look like you could

[Chorus]

G7 **C**
Come on, come on, come on

Cm **G**
Number one party anthem

G **B** **Em**
Come on, come on, come on

G7 **C**
Before the moment's gone

Cm **G**
Number one party anthem

G **G7**
Yeah, yeah

[Bridge]

C **Am** **Em**
The look of love - the rush of blood

C
The "She's with me" - the Gallic shrug

The black & white - the colour dodge

Am **Em**
The good time girls - the cubicles

Am **C** **D**
The house of fun - the number one party anthem

[Chorus]

G B Em G7 C Cm

G B C
Come on, come on, come on

Em Am
Come on, come on, come on

D G
Come on, come on, come on

B C
Come on, come on, come on

Cm G
Before the moment's gone
