[Chorus]

Well you only need the light when it's burning low
Only miss the sun when it starts to snow
Only know you love her when you let her go
Only know you've been high when you're feeling low
Only hate the road when you're missin' home
Only know you love her when you've let her go
And you let her go

[Verse 1]

Staring at the bottom of your glass
Hoping one day you will make a dream last
The dreams come slow and they go so fast
You see her when you close your eyes
Maybe one day you will understand why
Everything you touch surely dies

[Chorus]

But you only need the light when it's burning low
Only miss the sun when it starts to snow
Only know you love her when you let her go
Only know you've been high when you're feeling low
Only hate the road when you're missin' home
Only know you love her when you've let her go

[Verse 2]

Staring at the ceiling in the dark
Same old empty feeling in your heart
Love comes slow and it goes so fast
Well you see her when you fall asleep

Because you loved her too much

And you dived too deep

[Chorus]

Well you only need the light when it's burning low

Only miss the sun when it starts to snow

Only know you love her when you let her go

Only know you've been high when you're feeling low

Only hate the road when you're missin' home

Only know you love her when you've let her go

[Bridge]

And you let her go

Oooooo oooooo oooooo

And you let her go

Oooooooooo oooooo oooooo

And you let her go

[Interlude]

Am F G

[Chorus]

Because you only need the light when it's burning low

Only miss the sun when it starts to snow

Only know you love her when you let her go

Only know you've been high when you're feeling low

Only hate the road when you're missin' home

Only know you love her when you've let her go

[Chorus]

Because you only need the light when it burning low

Only miss the sun when it starts to snow

Only know you love her when you let her go
Only know you've been high when you're feeling low
Only hate the road when you're missin home
Only know you love her when you've let her go
And you let her go
