Artist: The Cranberries

Song: Ode To My Family

Ode to My Family – The Cranberries

Tabbed by Ray Walker

CAPO on 2nd fret

[Intro]

C            Am            Em            F            x2  
Do do do do, do do do do, do do do do, do do do do.

C            Am            Em            F            x2

[Verse]

C    Am                    Em            F                    C  
Understand the things I say, don't turn away from me

C            Am                    Em            F                    C  
Cause I spent half my life out there, you wouldn't disagree.

C            Am                    Em            F                    C  
D'you see me, d'you see, do you like me, do you like me standing there.

C            Am                    Em            F                    C  
D'you notice, d'you know, do you see me, do you see me, does anyone care.

[Chorus]

C    Am                    Em            F                    C  
Unhappiness, where's when I was young, and we didn't give a damn.

C            Am                    Em            F                    C  
'Cause we were raised, to see life as fun and take it if we can.

C    Am                    Em            F                    C  
My mother, my mother she'd hold me, she'd hold me, when I was out there.

C    Am                    Em            F                    C  
My father, my father, he liked me, oh he liked me, does anyone care.

[Verse 2]

C    Am                    Em            F                    C  
Understand what I've become, it wasn't my design.

C            Am                    Em            F                    C  
And people everywhere think some-thing better than I am.

C Am Em F C  
 But I miss you, I miss 'cause I liked it, 'cause I liked it, when I was out here.  
 C Am Em F C  
 D'you know this, d'you know, you did not find me, you did not find, does anyone care.

[Chorus]

C Am Em F C  
 Unhappiness, where's when I was young, and we didn't give a damn.  
 C Am Em F C  
 'Cause we were raised, to see life as fun and take it if we can.  
 C Am Em F C  
 My mother, my mother she'd hold me, she'd hold me, when I was out there.  
 C Am Em F C  
 My father, my father, he liked me, oh he liked me, does anyone care.

[Ending]

Does anyone care x 7  
 Do do do do x 12  
 END
