

SYMPATHY (Rarebird)

Paroles & musique : Rarebird

Now when you climb **Am F#(dim)**
 Into your bed tonight **E4 E**
 And when you lock **Am F#(dim)**
 And bolt the door **E4 E**
 Just think of those **Dm E(add9)**
 Out in the cold and dark **Am /G F**
 Cause there's not enough love to go 'round **Dm7 Em Am Em**

And sympathy **Am F#(dim)**
 Is what we need my friend **E4 E**
 And sympathy **Am F#(dim)**
 Is what we need **E4 E**
 And sympathy **Dm E(add9)**
 Is what we need my friend **Am /G F**
 Cause there's not enough love to go 'round **Dm7 Em Am Em**
 No there's not enough love to go 'round **Dm7 Em Am Em**

Now half the world
 Hates the other half
 And half the world
 Has all the food
 And half the world
 Lies down and quietly stops
 Cause there's not enough love to go 'round

And sympathy
 Is what we need my friend
 And sympathy
 Is what we need
 And sympathy
 Is what we need my friend
 Cause there's not enough love to go 'round
 No there's not enough love to go 'round
