

Tuning: E A D G B E

## CHORDS

## [Verse]

**Em** **B**  
 Where, oh, where have you been my love?  
**B** **Em**  
 Where, oh, where can you be?  
**Em** **B**  
 It's been so long, since the moon has gone.  
**B** **Em**  
 and oh what a wreck you've made me  
**G** **D**  
 Are you there, over the ocean?  
**C** **B**  
 Are you there, up in the sky?  
**Em** **B**  
 Until the return of my love  
**Em**  
 This lullaby  
**Em** **B**  
 My Hope is on the horizon  
**B** **Em**  
 Every face, it's your eyes I can see

**Em** I plead, I pray through each night and day

**B** Our embrace is only a dream. **Em**

**G** And as sure as days come from moments **D**

**C** Each hour becomes a life's time **B**

**Em** When she'd left, I'd only begun this lullaby **B** **Em**
