Song: Happy

CAPO 3

My first tab!

[Verse]

 G
Couldn't relax
 Bm
Couldn't sit back
 A
And let the sun
 Em
light in my lap
 G
I sang a hymn
 Bm
To bring me peace
 A
And then it came
 Em
A melody

[Verse]

 Em
It felt so sweet
 Bm
It felt so strong
 A
It made me feel like
 G
I belonged
 D G
And all the sadness inside me
 Bm
Melted away
 Em
Like I was free

[Chorus]

G A D G
I found what I'd been looking for in my self
Em A D G
Found a life worth living for someone else
Em A D G
Never thought that I could be (I could be)
Em A
Happy
D Em

Happy

[Verse]

Don't go out
Much at all
I've never been
The type to call
I realise to be happy
Maybe I need
A little company

So now you know
You know it all
That I've been
A

Desperately alone
I haven't found the one for me
But I believe in divinity

[Chorus]

I found what I'd been looking for in my self
Found a life worth living for someone else
Never thought that I could be (I could be)
Happy
Happy

I believe (I believe) in possibility
I believe (I believe) someone's watching over me
And finally (finally) I have found a way to be
Happy
Happy

From the concrete to the coast
I was looking for a holy ghost
Like the land joining the sea
Happiness it followed me

D A Bm G
I believe (I believe) in possibility
D A D G
I believe (I believe) someone's watching over me
Em A Bm A
And finally (finally) I have found a way to be
Em A
Happy
D G
Happy
G A
Happy
D
END
