DreAh A/Little Dream Of Me Chb7ds (ver 21) by El...
                                            https://tabs.ultimate-guitar.com/tab/print?font si...
    Still craving your kiss
 Ab /
        Fm
           / Eb7 / / /
    I'm longing to linger til dawn dear
            / G7 / /
Αb
    Just say - ing this
[3rd verse]
                 / Ab7 /
    Sweet dreams til sunbeams find
                                  you
                                  /
                           Α
                                       Α7
    Sweet dreams that leave all worries be - hind you
Dm
           /
                          Fm /
    And in your dreams what - ever they be
             Fm
                  G7
                      C / / /
Dream a little dream of
[Instrumental or scat melody]
C / B7 / Ab7 / G7 /
C / B7 / A / A7 /
Dm / / Fm / /
C / Fm G7 C / Eb7 /
[Bridge]
Αb
         Fm / Eb7 / / /
    Stars fading but I linger on dear
                   Eb7 / / /
 Ab /
        Fm
             /
    Still craving your kiss
 Ab / Fm / Eb7 / /
    I'm longing to linger til dawn dear
     / Fm / G7 / /
Αb
    Just say - ing this
[3rd verse]
                 /
                          Ab7 /
                                  G7
    Sweet dreams til sunbeams find
                                  you
C
                  /
                        Α
                                  /
                                       A7
    Sweet dreams that leave all worries be - hind you
Dm
   / /
              /
                          Fm / /
    And in your dreams what - ever they be
C
             Fm
                  G7
                      C / / /
Dream a little dream of
                      me
```
